14. Source Blog Updates!

NEW SOURCE ARTICLE - Am I Just Being Paranoid? - Why are the prices of Diaclones and specific Japanese exclusive Transformers ballooning out of control? Is it really because there are so many more collectors on the market due to Michael Bay’s movies? Are we really to believe that Transformers-only collectors who finally got around to completing G1 are all of a sudden … continue reading... Am I Just Being Paranoid? | Source Blog
