

## Star Wars Transformers Death Star Darth Vader Released?

Contributed by NightViper  
Saturday, 29 September 2007

He's been available at several Online stores, but now it appears the Death Star plans are no longer just in the main computer. Er, that is to say that Death Star Darth Vader is now available at brick-and-mortar stores. He was found by a TFW2005 poster at a TRU in New Jersey.
