

Transformers: Mosaic interview at Newsarama

Contributed by MrBlud
Tuesday, 02 October 2007

The collaborative fan comic project started at the IDW boards has reached the mainstream with an interview published yesterday at comics supersite Newsarama.com

You can read the full interview here included a mention of our very own lacon mod Kris "Drivaaar" Carter's original Allspark piece entitled "Rain" being featured in Transformers: Devastation #2.

Discuss this news with fellow fans in Richter's thread.
