

New Stock Photos Of Allspark Power Figures

Contributed by NightViper
Thursday, 04 October 2007

Several new pictures of the first wave of the astf Allspark Power line have shown up on Transformers.com and BigBadToyStore.com, namely images of Cliffjumper, Camshaft, Landmine, Stockade and Night Watch Optimus Prime. Look for these figures early 2008!

You can see Cliffjumper, Camshaft and Landmine here, and Stockade and Night Watch Prime here and here. You can also discuss these images here.
