

Superherohype unveils retailer exclusives for Transformers DVD

Contributed by MrBlud
Friday, 05 October 2007

Finally offering us clear pictures of just what exactly we'll be getting when we buy astf on DVD at our favorite retailer. First good look at the Best Buy Robot Heroes (battle damaged Optimus Prime and Cliffjumper) along with confirming Target's transforming case and a Circuit City giftcard with around fifteen minutes of exclusive online content when you purchase the film there.

See the full bounty [here](#).

Thanks to DVDTalk for the news.
