HasbroToyStore has listed a few new pre-orders for Transformers Animated figures! Now you can have them set aside the Wave 1 Leaders and the Wave 2 Voyagers, so you don't have to go hunting for them in a couple of months. The figures now up for pre-order are Leader Bulkhead, Leader Earth Mode Megatron, Voyager Grimlock and Voyager Lugnut. The Leaders are expected July 10th, and the Voyagers June 23rd. And if that doesn't pique your interest, maybe this will. A few of the existing pre-orders, mostly Wave 1 toys, are now scheduled to ship on May 26th! Previously, they were scheduled for June 23rd. So if you don't feel like wasting gas looking for these when they hit, head on over to HTS now!
