

## Animated "Roll Out" DVD Box Art

Contributed by NightViper  
Tuesday, 06 May 2008

The box art for the upcoming Transformers Animated "Transform and Roll Out" DVD has been revealed on TVShowsonDVD.com, and with it we get to see what some of the extras are! The Special Features are said to be 2 Transformers Animated shorts, but it doesn't offer any more information other than that. So it looks like will just have to wait to see just what these shorts will be about!

Click [here](#) to see the article on TVShowsonDVD, or [here](#) to discuss it on the Allspark. Thanks to Razorsaw for the heads up!
