

Colors for All Hail Megatron #1 Retailer Exclusive Cover

Contributed by NightViper
Tuesday, 06 May 2008

IDW Editor in Chief, Chris Ryall, posted the inks for this cover yesterday, but now he has graciously posted the colors on his blog as well! This cover takes after Brian Bolland's Batman: The Killing Joke cover, only with Megatron and Reflector instead of the Joker! The art is by Casey Collier and the colors are by Josh Perez. UK Fans can look for this cover at Apocalypse Comics in July!

[Click here](#) to see the colors and Chris Ryall's story behind how it was made!
