

New Images of BT 21- Arcee and BT 22- Convoy

Contributed by NightViper
Monday, 23 June 2008

For fans wanting a better look at the upcoming Binaltech Arcee and Convoy figures, ToyHobby.jp has updated their pre-orders with a few more images! The pictures show the figures in both modes, and Arcee with and without her top on (in vehicle mode, because she's a convertible. Get you minds out of the gutter!)

[Click here](#) for Arcee and [here](#) for Convoy!
