

Universe Deluxe Wave 2 Out at US Retail

Contributed by NightViper
Wednesday, 30 July 2008

Madman1366 of the 2005 Boards is reporting that he has found Wave 2 of Universe Deluxes at a Toys R Us in Illinois. THis wave consists of Galvatron and the Acid Storm repaint of Classics Starscream! So Unicron Spawn and Rainmaker fans, head on out to your TRUs, you may just find these figures waiting for you there!

Click [here](#) to see the original post, or [here](#) to discuss this sighting on the Allspark. And don't forget to leave you own sightings for these two [here](#)!
