The Universe of the Transformers is vast, and populated by many characters. Their universe is a large tapestry, made up of the stories and points of view of countless experiences that serve the larger whole. These are some of those stories. This is: Transformers: MOSAIC.

9/15/08 Mosaic:

- No. 1 Fan Zone, featuring our favorite police captain from Detroit!
- Can It Get Any Worse?, a certain 'Bot loosing his marbles.
- Lost in Translation, where SOMEONE needs to slow down.
- Mercy, a fragment of Prowl's past before joining with Optimus' crew.
- Home Sick, a certain Dinobot reminiscing... just a little.
