

AHM #3 Art and Covers Up

Contributed by lonegamer8
Tuesday, 16 September 2008

In case for those that missed it, artist Guido Guidi has put up the non-colored version of the first 4 pages for All Hail Megatron #3, as well two covers out of three, the third featuring Astrotrain in 'bot mode as retailer incentive.

Bogey here to see the Astrotrain cover, and don't forget to check out Guido's other works!
