

Impossible Toys With TFA-03 Prof. Sumdac

Contributed by lonegamer8
Tuesday, 16 September 2008

Tformers.com has the full body shot of the TFA-03 Professor Sumdac figure from Impossible Toys. Like Sari and Fanzone before him, he'll have several points of articulation and will be scaled with the current Animated toyline. Also a possible Winter 2008 release.

Check [here](#) to see Tformers.com's original announcement.
