While no new monthlies this September 24th, IDW Editor-in-chief Chris Ryall has updated his blog on mentioning that Transformers Animated Vol. 1 and Transformers Spotlight Vol. 1 TPB are going to a 2nd printing run. So those of you that missed out on these two, go pick them up come Wednesday!

In addition to that, ICv2 notes that IDW Publishing ranked 4th behind Marvel, DC, and Dark Horse when it came to comic market share in August. One month a trend does not make, but it's good news for Transformers, Doctor Who, and Star Trek fans.
