The Universe of the Transformers is vast, and populated by many characters. Their universe is a large tapestry, made up of the stories and points of view of countless experiences that serve the larger whole. These are some of those stories. This is: Transformers: MOSAIC.

9/22/08 Mosaic:

- Brought to You By... our favorite con-'Con!
- The Sharp End, Lockdown getting one up against an Autobot.
- Syndicated Incorporated, Wreck-Gar finding some of the darnest things.
- Prime Decision, Optimus deciding despite what two others think of him.
- Lunch Counterlunch, why Bumblebee should worry what his passengers ate.
