

"Revenge" Character Interaction Revealed

Contributed by NightViper
Tuesday, 23 September 2008

At Hasbro Italy's 2009 Brand Preview they revealed a little bit of information on how two of the Autobots will interact in Transformers: Revenge of the Fallen. And it may interest fans of post-G1 toy lines! So which line gets the nod, and how will the Autobots escalate their defense against the Decepticons? If you don't mind potential spoilers, click the links below!
