

Transforming Exo-Suit Spike From Impossible Toys

Contributed by NightViper
Tuesday, 23 September 2008

For those of you looking to complete your 1986 Movie set of toys with figures of the humans, Quintessons and other characters that didn't get toys, you're one step closer! The next figure for Impossible Toys is a transforming Spike in exo-suit, perfect for standing triumphantly beside Rodimus Prime, or for hanging out with Bumblebee and cussing up a blue streak!

[Click here](#) to see images of the garage kit figure, as well as read more about it, on TFormers.com!
