For those of you eagerly awaiting the pre-order page for this Stunticon, head over to Hasbro Toy Shop now! Like Optimus Prime, Megatron and Overkill, this Transformers Universe Special Edition figure is listed at \$15.99 and is scheduled for a 12/08 release! Also, check out the images on the pre-order page, since they give us our first look at what his vehicle mode will look like!

Click [here](#) for the pre-order page and then discuss it [here](#). Thanks to Rippersnapper for the link!
