

All Hail Megatron #4 Guido Cover Up

Contributed by lonegamer8
Wednesday, 24 September 2008

Artist Josh Burcham has posted the colored and clean version of Guido Guidi's cover to All Hail Megatron #4 at his DeviantART gallery. If readers had been wondering about the Autobots since that cliffhanger at the end of AHM #1, well... Things apparently aren't looking too good.

[Click here](#) to see it at Josh's gallery and don't forget to check out his other works!
