

25th Anniversary Hound and Ravage Images

Contributed by NightViper
Friday, 26 September 2008

A member of TF08.net has gotten a hold of a 25th Anniversary toy and posted images of both him and Ravage in both their molds! Although Hound is mistransformed, and Ravage blends stealthily into the dark brown table, this is still a fairly good look at each of the figures!

Click [here](#) to see the images, and [here](#) to discuss them in Robogeek1973's thread.
