Regarding the various "leaked" info pertaining to Transformers Animated Season 3, character designer Derrick Wyatt had this to say: A quick note about Rodimus, Cyclonus and season 3 in general. Take everything you guys are reading on the boards with a grain of salt. ALL the people posting spoilers that I have read so far have been putting up inaccurate info. Some WAY off. Even those with Hasbro connections and posters who have been a good source of information in the past seem to have gotten some REALLY bad info. [Read here](#) for his original comment at his blog.
