

Animated Ultra Magnus Out in the US

Contributed by NightViper
Monday, 29 September 2008

Those looking to save on shipping costs no longer need to be tempted by the online stores that have him in, as Animated Ultra Magnus has recently been spotted at a Target in Burbank, California! So if your Elite Guard forces are looking for their leader, you may want to stop by Target sometime soon and see if he's ready to report for duty.

Click [here](#) to see the original sighting on TFW2005, and then [here](#) to discuss this news in Nevermore's thread on the Allspark. And if you have a sighting of your own, don't forget to add it to our Sightings thread [here](#)!
