Are you a fan of spotted yellow Maximals? How about talking defense systems? If yes, then Auto Assembly 2009 may just be the place for you! Ian James Corlett, who provided the voices for Beast Wars and Beast Machines Cheetor as well as the Sentinel program in Beast Wars, was recently confirmed as the first of the voice actors that will be attending the 2-day UK convention. Auto Assembly 2009 will be held August 15-16th in Birmingham City Centre, England.
