

TakaraTomy Updates Its Website

Contributed by NightViper
Wednesday, 12 November 2008

TakaraTomy has updated its Transformers website with product pages for a several upcoming toys, and scans one one of the latest HenKei pack-in comics. The figures include Masterpiece Thundercracker, HenKei Ironhide and Henkei Galvatron, and the comic book is the one that came packed with Prowl and Sunstreaker. So fans of these Japanese Transformers toys, you may want to click the following links for new images and information!
