

TFW2005 Interview with Marcelo Matere

Contributed by lonegamer8
Saturday, 03 January 2009

TFW2005 were able to interview artist Marcelo Matere, known for a variety of Transformers artwork such as various packaging artwork, comic art like Dreamwave's "More Than Meets the Eye" profile issues, and currently with IDW like Spotlights Soundwave and Grimlock. He answers to standard questions such as inspirations, involvement on toy/package designs on some of the lines, other interests, and more!
