A report from Nyghtwynd of the Cybertron.CA boards come in that will have Canada residents itching with excitement! He reports:

Currently at Square One, Mississauga, General Motors has a setup in the food court area. Among the shiny new cars up for a test drive, you can enter a draw to win one of those plus a trip to the 2010 Olympics. After entering, you are given a choice between either a GM recyclable bag (approx. \$1-2), a slide puzzle (\$1), or the Transformers Universe Chevy Aveo Swerve figure (approx. \$20 on the Chevrolet online store) for free.

That right, a free Aveo Swerve figure! Toronto Residents, here's your chance! Read the rest of his report here, and discuss this on our boards!
