astf has now been released in several countries across the world, and that's gotten a number of you thinking about, well, numbers. Michaelbay.com has them for you!

Transformers 2 opened spectacularly in their world debuts in the UK and Japan, grossing a total of \$20 mil from 846 locations. The Michael Bay directed film was a clear #1 in both territories, with the UK's opening total of \$14.1 mil from 517 locations outperforming rival comic book sequel Spider-Man 2 by 18%, the original Transformers movie by 71% and coming within 3% of the Dark Knight weekend total. In Japan, the film's gross of \$5.8mn from 329 locations was 64% ahead of The Dark Knight, and only 13% behind Transformers which had the advantage of opening in summer school holiday.
