Monday, 22 June 2009

Is your clock ticking too slowly towards the astf Soundtrack's release tomorrow? To keep your mind off of the minutes while hyping you up further, how about an interview with Linkin Park's front man, Mike Shinoda? IGN has posted an interview with the singer as he describes the band's song for the soundtrack, fan reaction and where the band's headed in the future.

You can read the interview [here!](#)
