

ROTF SPecial Effects Article on SciFi Wire

Contributed by NightViper
Wednesday, 24 June 2009

SciFi Wire gives us a little more in depth look at ILM and the special effects that they used in astf. They also give us a little more information on the toll that rendering those effects took on the computers at ILM! We knew that the film was rough on the computers, but we didn't know one actually exploded in a puff of smoke!
