Due for release June 27th, along with a slew of astf figures, are Japanese exclusive Alternity A-02 Megatron (in both Blade Silver and Premium Le Mans Blue editions) and A-01 Convoy Super Black edition! Megatron is the latest of the Alternity line, taking the form of a Nissan Fair Lady Z. While Convoy is the third Convoy redeco joining the previous Byplan Red and Ultimate Metal Silver editions. Retailers are starting to receive these new Alternity figures early, as are Japanese based fans.
