

Leo Prime to be released in Lio Convoy colors?!

Contributed by Powered Convoy
Thursday, 25 June 2009

Photos of a new redeco of Universe Leo Prime (himself a retool of Cybertron Leobreaker) have surfaced. Most fans will recognize the colors as those inspired by the original Beast Wars II Lio Convoy and the Classics Legend sized Leo Prime. No word on what kind of release this figure will receive, or when it will be released.
