The Inside Reel was able to get a couple quick words from actors Shia LaBeouf, Megan Fox, and Josh Duhamel on their thoughts of *astf*. Josh and Shia make note of the military aspect, how neither *Revenge* or *Transformers* could've been made without cooperation and collaboration with the armed forces of not just the US but the Jordanian and British as well, and how they (namely Josh) wanted to do the military personnel justice. Megan adds that on *Revenge*, it's quite a "all encompassing" and that the physical effort was like "leaving a piece" of themselves in it.
