

## Running Change to ROTF Mudflap?

Contributed by Master Fwiffo  
Saturday, 27 June 2009

A variant of Mudflap seems to be surfacing! Several people at TFW have found a differing Mudflap. The original had 'Trax' imprinted on his license plate - unlike the movie, which has his name (as did his brother, Skids.) Skids toy was accurate, but now a running change makes Mudflap accurate as well! Check out the reports at TFW!
