astf is doing fantastic, but it appears to be falling just short of breaking Dark Knight's 5-day record. "Revenge" brought in another \$40.6 million on Saturday. Estimates suggest that the Sunday gross will be about \$34+ Million, which would bring the 5-day total to 201.2 Million - making back its budget but falling short of Dark Knight's record by only \$2.7 million. But these are just estimates, so if you're aching to catch Revenge again, today would be a good day to see it! We're within the goal to dethrone Batman, so get to it! Check back tomorrow for the final tally, and keep an eye on Revenge's take at Deadline Hollywood!
