Remember how we reported on Simon Furman writing the concluding script for volume 3 of Million Publishing's "Transformers Generations 2009" with Guido Guidi on art? Well, here's a sneak peek panel from Guido himself, featuring Ironhide and Mirage -- we mean Ligier -- in what looks like a bad situation! As for the script itself, Guido teases:

The comic will follow events set in the 2 previous TF Henkei installments... but with a Furman's twist.

Check the work-in-progress at Guido's DeviantArt Gallery, and don't forget to sound off at this thread!
