

Transformers.Com Goes ROTF

Contributed by Master Fwiffo
Thursday, 02 July 2009

The Official Transformers Website has updated, now embracing astf whole-heartedly! Included in the update are two new features - the Action Toy Arena, where many ROTF action figures and their features are displayed, and the Battle Bio's section, where quotes, bios, and other stats are listed for many of ROTF's characters - watch in particular for the namedrop of Lockdown in Ratchet's 'Friends and Enemies' section! [Click here](#) to explore the new Transformers website!
