

New ROTF Arcee Toy?

Contributed by NightViper
Thursday, 02 July 2009

Vansch of HK-TF.com has posted images of a new astf Arcee toy. Possibly. It's not yet clear what the toy is, but guesses are pouring in! Legends? Scout? Fast Action Battler? No one really knows, but the guessing game sure is fun!

You can see the images here, and then share your guess as to what the figure is here. Thanks to Nevermore for the news!
