

## Two New ROTF Robot Heroes Battle Scenes Revealed

Contributed by NightViper  
Thursday, 02 July 2009

Amazon.com has put up two new listings for astf Robot Heroes Battle Scenes. While there are no images yet, we now know that "Shanghai Shootout" and "Desert Devastation" will be joining "Battle for the Allspark" and "Battle of the Fallen" in this line of multi-figure sets. Desert Devastation sounds like a good place to expect that colossal Robot Hero Devastator that we saw awhile back!

Click [here](#) and [here](#) to see the listings, and then discuss discuss these sets [here](#) in Nevermore's thread!
