

## October 24 Blu-Ray Release for "Revenge of the Fallen"?

Contributed by lonegamer8  
Sunday, 05 July 2009

Barely 2 weeks at the theaters and Blu-Ray.com's already has a listing for astf?! Oddly, it's for the French release according to the current listing Blu-Ray.com has on their site. No official word yet from Paramount, so we'll have to wait and see.

Here's the listing at Blu-Ray.com and drop your thoughts off at this thread!
