Monday, 12 October 2009

Transformers Universe Commemorative Series Perceptor is now in stock at Toysrus.com. So if you can't wait for the brainy Autobots scientist to hit brick and mortar near you, you now have a second option. The Insecticons are listed as being "Out of Stock, so keep you eye on their listing to see if the status changes!

Click [here](#) for Perceptor and [here](#) for the Insecticons.
