

Masterpiece Skywarp Out in the UK

Contributed by NightViper
Tuesday, 13 October 2009

Masterpiece Skywarp has been found at an Argos store in the UK! Masterpiece fans may want to take note that the figure uses the same face as the Starscream face, and not the resculpted face that Takara Tomy gave him for their release. Those across the pond that can't wait to get their hands on the teleporting trickster, it looks like it's time to go hunting!
