

## Concept Art: Transformers: The Game Drone Designs and more!

Contributed by Master Fwiffo  
Tuesday, 13 October 2009

Activision designer Ken has posted some never-before-seen concept art for the first Transformers film's video game! He's posted early concept for drone types that would later become the toys Swindle, Dropkick and ROTF Dirt Boss! Get a look at his design process, and how the designs compared to the final toys, by visiting his blog!
