

New ROTF Scattorshot Gallery

Contributed by NightViper
Tuesday, 20 October 2009

GenZhao of KOTOys has posted a new gallery for astf Scout Class Scattorshot. This diminutive strong-man seemingly takes cues from both Cybertron Scattorshot and Animated Sentinel Prime. Interesting combination? You betcha!

[Click here](#) to see detailed images of the little ruffian, and then discuss the figure [here](#). Thanks to BassX0 for the link!
