TFormers has posted a preview of the upcoming Last Stand of the Wreckers comic series from IDW Publishing. UK fans will squeal! It appears as though the ones causing the last stand will be Overlord and the Predators! The preview consists of two covers, two inked pages and a colored page.

Click [here](#) to see the preview at TFormers, and check out the un-watermarked version of the colored page [here](#) on Josh Burcham's deviantART page!
