**HASBRO REVEALS NEW MARVEL, TRANSFORMERS & STAR WARS**

We've just received images of all the initial 2010 waves of the lines mentioned above. Marvel Secret Wars, Transformers Movie Deluxe, Special NEST 2-pack, Voyager, Star Wars Cinema Scenes and more have all been revealed. These are all listed on the new preorder page - take a look here for a summary:

**HULKBUSTER IRON MAN 21" COMIQUETTE**

The new 21" version of the Hulkbuster Armor Iron Man has been made as a comiquette by Sideshow, and is close to 1/6 scale. Tony Stark created this armor so that he could stand up and go toe to toe with the Hulk, and now you can enjoy a replica of the suit in your own collection. This impressive piece is priced at \$389.99, \$30 off the MSRP.

**BANDAI CHOGOKIN APOLLO 11 & SATURN V REPLICA**

This exquisitely accurate 1/144-scale reproduction is based on many specialized documents and other data. In addition, during development of this product, Bandai sought and received the full cooperation of the web site "Apollo Maniacs," a favorite of Apollo fans, in making sure that the overall appearance, as well as that of the parts such as the rocket and engine, is as accurate and detailed as possible. This highly detailed piece is up for preorder at \$574.99, but space ships aren't cheap!
