Have you bought an X-Box 360? Now might be a good time to! Videogamer.com reports that Microsoft has revealed two new themed X-Box 360 bundles are being released - one for Star Trek, the other for Transformers! The Transformers bundle will include the X-Box 360 Elite, an additional controller, astf, The Game, and a copy of Revenge of the Fallen on a Bumblebee USB Drive! No word on price, release date or other details, but read the full scoop here!
