Several new in-package toy images have hit the web! Hk-Tf has a number of in package images of upcoming toys - new ones in the batch include the FAB's Sand Attack Bumblebee, Night Blades Sideswipe, and Power Armor Prime, as well as a few more in-hand pics of the ROTF 'Spoons' and 'Beachcomber' scout-class repaints. [Click here](#) to see the images. Then, the-Arker has a look at an upcoming Activators repaint: Armor-Up Optimus Prime! [Click here](#) to check it out!
