

Ark Addendum: Blaster Blues

Contributed by Ionegamer8
Tuesday, 03 November 2009

For the new month's Ark Addendum from Jim Sorenson, it's several locales from the G1 episode "Blaster Blues"! We get to visit (metaphorically) the Decepticon's lunar base with the Voltronic Galaxer, the amphitheater Spike, Carly, and Blaster were at, and the weather station!

Hop on Cosmos to Jim's blog!
