

Frenzy/Rumble coming in 2010?

Contributed by NightViper
Wednesday, 04 November 2009

Although nothing is known about this figure other than an image, it looks like 2010 will bring us more Cassettrons, Recordicons/Deployers! An image of a robot suspiciously similar to Rumble and Frenzy from G1 has appeared on HK-TF.com. Whether or not this is an official Hasbro product has yet to be confirmed, but it sure looks nice regardless!
