The Black Friday blog has posted ads from K-Mart of what'll be sold be at much lower prices post Thanksgiving! What's to look out for after the turkey?

- Bumblebee Helmet or Roleplay Blaster -\$29.99 ea.
- ROTF Powerbots - \$14.99
- ROTF Voyagers - \$14.99
- ROTF Legends 4-Pack - \$19.99
- Minicon 2-pack - \$19.99

The "Minicon 2-pack" might be a typo and they might meant "12-pack". Check out the ad at the blog and sound off at this thread!
